

A GREAT CHANGE ENTERS INTO LIFE OF STOREKEEPER

A certain unassuming gentleman in this city who has been a prominent merchant and who up to a few weeks ago had become a recluse because of his physical condition tells this remarkable and most interesting tale:

"For a number of years," he said, "I have been so closely confined to my business representative in every respect that wear and tear finally got me, my face became drawn and haggard, and my disposition seemed to urge people to evade me. It was then that I began to despise my own company."

My bookkeeper one day suggested that I needed a rest and that my nervous system required attention. She told me that her father had taken Phosphated Iron when in my condition. "Look at him now," she said. "He works ten hours a day and is the happiest man in the world."

"All this happened less than a month ago," I followed the advice and look at me now. Back in the harness with a smile all the while. I am feeling more fit than ever. When I see a tired looking face the name of Phosphated Iron immediately comes in my mind. I am convinced that it is converting many a worn out body into a life force in thought, ambition and enthusiasm."

Special Notice: To insure doctors and their patients getting the genuine Phosphated Iron we have put in capsules only, so do not allow dealers to sell you pills or tablets.

Whitcomb High School won from Chelsea Agricultural Club.

Whitcomb high school defeated the Chelsea Agricultural club rather easily on the home grounds yesterday. Hickey pitched well for the local team and was relieved by Laverne in the eighth inning. There was a general shake-up in the Chelsea line-up in the fifth inning. This included the substitution of Titus for Kezer, who was hit hard in the second and fourth innings. Titus pitched much better, but Whitcomb had the game caged before he began. There were no long hits. The score:

WELLS RIVER

Bill, Charged with Forgery, Given Three Months and \$300 Fine.

The trial of Mr. Bill for the passing of a worthless check on J. F. Hale for a week's board bill was held at E. W. Smith's office last Friday. Bill pleaded guilty and was sentenced to three months at the house of correction at Rutland, together with a fine of \$300. In lieu of paying the fine he can work out the fine at the rate of 33 1/3 cents per day. Bill was also wanted at St. Johnsbury, St. Albans and Montreal for the same charges, all of which he may face at the expiration of his present term.

A party of seven, including Nelson Bailey, Drs. Woodman and Perry, S. Hutchins and Flo Van Dyke, motored to Hanover last Friday to see Dartmouth and Boston university play ball, which game the latter won by a score of 5 to 0. Rain fell throughout the game, making both the ball and field slippery. This makes two games that Boston university has won from Dartmouth.

Miss Bernice Baldwin, who has been spending the winter in the South, returned to her home last Saturday night. She reports a most wonderful time.

Nelson Debois has completed his labors for the Adams Paper company and has gone to Dixville Notch to work during the summer. This is his second season at this place.

For the second time this season Wells River high school defeated South Ryegate by the score of 8 to 3. The game was played at South Ryegate last Saturday afternoon. Chase and Harvey, battery for Wells River.

Don't forget that Memorial day will be appropriately observed at Wells River by Col. Preston post and the Woman's Relief corps. A baseball game will also be in order.

A special dislike to all keep to the right signs seems to prevail among auto owners. For the third time this season the one located on the bridge has been smashed or removed. The last time it was demolished in good shape, part of same being thrown clear across the sidewalk on the further side of the bridge. We understand that anyone caught using these sign posts for any other purpose than what they are designed for will be severely dealt with.

Carl Hutchins, who is employed at Lyndonville, spent the week end with his mother, Mrs. Sarah Hutchins.

We are pleased to note that Major Henry Munsell of this place, together with Dr. Thomas of Middlebury college, has been appointed trustee of the Soldiers' home. Both served their country in the late world war, Major Munsell in the 103d machine gun battalion and Dr. Thomas as chaplain.

The Woodsville order of Moose, together with a party from the Berlin lodge, held a picnic at Tickleknack pond in Ryegate last Sunday. The Woodsville band was in attendance and a delightful time enjoyed by those present.

Mr. and Mrs. Max Doe and son, who have been visiting her parents, Mr. and Mrs. Frank Rumsey, returned to their home in Orleans the latter part of last week.

Mr. and Mrs. Taylor entertained George and Miss Mary Taylor of Brookline, Mass., for several days last week.

Rev. and Mrs. Frazer, who have been attending the Congregational convention at Essex Junction, returned home last Saturday. During their absence Mrs. Dean Gochey assisted at their home.

Cards have been received announcing the marriage of Scott Hazelton to Miss Linda Holt of Santa Barbara, Cal., at Ayer, Mass., just before his departure for France in 1918. They will make their home in California.

Those who attended the sixth local union at Peacham last Friday were Misses Ellen Kellogg, Charlotte Symes, Thomas Farwell, Clyde Harvey, John Martin and Jacob Bailey.

An art exhibit will be held at our school building on Friday. Pictures of interest will be shown. There are over 200 in all and it is hoped that the village people will interest themselves in this affair.

WASHINGTON

Yarn for 16 pairs of children's socks has been sent for immediate knitting. Anyone willing to do a pair will please get the same from Miss Olive Caley. She expects to have Red Cross sewing to distribute next week.

Ladies of the Universalist church met and cleaned the church last Wednesday. At that time 24 books were chosen from the Sunday school library to be sent to soldiers in the army of occupation. The need of good books is great and any individual having but one to spare will be doing an act of kindness to leave it with the town librarian for shipment.
